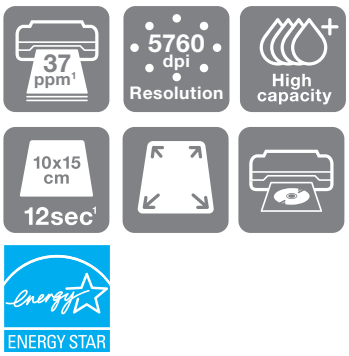
# Epson **L800**

DATASHEET



## Ideal for high-volume photo printing, the L800 is Epson's first integrated ink tank system and lets you enjoy high-quality photo prints at a low cost.

The printer is equipped with Epson's Micro Piezo printhead technology that delivers unrivalled durability, quality and reliability. The high-capacity ink tank is fully integrated into the printer, so you can enjoy reliable colour printing without the mess or hassle of other refill systems. Epson's Fast Ink Top-up (FIT) technology includes specially designed air-tight caps and filters that minimise ink wastage. The printer also features a choke valve that controls the flow of ink to prevent backflow and allows you to easily and safely transport the printer.

Using Epson genuine ink gives you the quality you demand from your printing and each ink bottle has a re-sealable cap for storage when not in use. With Epson's warranty, you can rest assured that you'll get maximum value, reliability and peace of mind from your printer. With the ultra-high-capacity ink tank system and high-volume ink bottles for easy refills, this model prints photos effortlessly.

Six individual 70ml Epson genuine ink bottles for filling the tanks are included – black, cyan, magenta, yellow, light cyan and light magenta – giving you value for money. Each set of high-capacity ink bottles can print up to 1,800 high quality 10 x 15cm photos, delivering an ultra-low cost per photo[2].

You can print vibrant, life-like colours with long-lasting results with the L800 and produce borderless photos up to A4 size. Creating personalised digital photo albums can easily be achieved by printing directly onto CDs/DVDs and, with fast print speeds, you can produce a 10 x 15cm photo in as little as 12 seconds[1].

## KEY FEATURES

- Colour printer with integrated ultra-high-capacity ink tank
- Print a 10 x 15cm photo in as little as 12 seconds[1]
- Print high-quality borderless photos up to A4 size
- Print directly onto CDs/DVDs
- Print up to 1,800 high quality 10 x 15cm photos for an ultra-low cost per photo[2]
- 6 colour 70ml Epson genuine ink bottles included
- Hassle-free printing with Epson warranty

## LOGISTICS INFORMATION

| | |
|---|---|
| SKU code | C11CB57302 |
| Barcode | 8715946503448 |
| Carton dimensions (WxDxH) | 625x375x274mm |
| Carton weight | 7.9kg |
| Pallet quantity | 28 |
| Country of origin | Philippines |

## WHAT'S IN THE BOX

- Epson L800 printer
- 6 x 70ml individual ink bottles
- Epson Photo Paper Pack
- Software CD
- 'Start Here' guide
- Warranty document
- Power cable

## INK BOTTLE COMPATIBILITY

- T6731
- T6732
- T6733
- T6734
- T6735
- T6736

## RECOMMENDED PAPER

Epson's Micro Piezo inkjet technology gives great results on a wide range of paper types, giving you the flexibility to print whatever you want. And Epson produces a range of paper to help you do this, from A4 inkjet paper through to glossy photo paper in a variety of sizes.

**PREMIUM GLOSSY PHOTO PAPER**
Ideal for special occasions and treasured memories
Size: 10x15cm
13x18cm
A4
Weight: 255g/m2

**PREMIUM SEMIGLOSS PHOTO PAPER**
Ideal for high-quality photos/graphic art
Size: 10x15cm
A4
Weight: 251g/m2

**PHOTO PAPER**
Ideal for everyday use
Size: 10x15cm
13x18cm
A4
Weight: 190g/m2

1 Print speed (Pages Per Minute) is calculated when printed on A4 plain paper in the fastest mode, 10 x 15cm photo print speed when printed on Epson Premium Glossy Photo Paper Print speed may vary depending on system configuration, print mode, document complexity, software, type of paper used and connectivity. Print speed does not include processing time on host computer
2 Colour yields/CPP are 5 colour composite using Cyan, Magenta, Yellow, Light Cyan and Light Magenta. Black yield/CPP is estimated supplemental yield. Quoted yields are calculated using Epson original methodology based on ISO/IEC FDIS29102 and continuously printing test patterns provided in ISO/IEC FDIS29103. Yields/CPP may vary considerably based on images printed, print settings, paper type, frequency of use, humidity and temperature.
3 USB cable not supplied in box
4 Otherwise 3mm top, left, right, bottom
